GRANTS AND AWARDS	University of Pittsburgh University of Pittsburgh Math Department Undergraduate Research Fellowship <ul style="list-style-type: none"> - Grant for a funded two month undergraduate research opportunity. - Supervisor: Dr. Michael Neilan
OTHER RELEVANT SKILLS	Tutoring Experience Industry experience: <ul style="list-style-type: none"> - I've tutored both friends and clients in mathematics and statistics, but usually calculus. LaTeX I've written every school assignment in LaTeX, even the non-Math classes, for most of my academic career at Pitt. I really enjoy LaTeX typesetting! Programming languages I have completed courses with A's in MATLAB and Java, as well as having extracurricular experience with Python and R.
